Background

The GLMRC is a forum for managers and the exclusive representatives of the U.S. General Services Administration (GSA) employees, which are the two national labor unions. In this forum, managers and the Unions discuss Government operations to promote satisfactory labor relations and improve the productivity and effectiveness of GSA. The GLMRC serves as a complement to the existing collective bargaining process and allows managers and the Unions to collaborate in continuing to deliver the highest quality services to the public. The Council discusses workplace challenges and problems and recommends solutions that foster a more productive and cost-effective service to the taxpayer, through improving job satisfaction and employees' working conditions.

Agenda

The purpose of the meeting is for the GLMRC to discuss the Council's focus for the upcoming year and consider Agency initiatives. The topics to be discussed include Council metrics & GSA EVS results, GSA EEO program, and Council subcommittee updates.
